

Dear Community Partner:

The Brunswick County Intercultural Festival is proud to present the 13th annual festival on Saturday, September 30, 2017. The festival will take place from 10:00 a.m. to 4:00 p.m. at Brunswick Community College on the grounds of the Odell Williamson Auditorium.

Brunswick County Intercultural Festival events will include arts and crafts, children's activities, ethnic food, music, and entertainment representing the various cultures present in our county.

At each festival, participants enjoy music and featured groups from North and South Carolina that express the fine traditions of Hispanic/Latinos, the Philippines, Germany, Southeast Asia, Europe, Native Americans and Africa. This year's festival promises to involve more international groups than ever before as well as a multitude of booths exhibiting cultural artifacts from represented countries.

In addition, the "Passport to Culture," a children's wood workshop, Brunswick County Schools' Poster Art Contest, and a children's art workshop are only a few activities geared especially for children and their families.

For a minimal fee, festival-goers will have a chance to sample a variety of ethnic foods at the International Food Tent. For many, this is a highlight of the day!

New to the festival is a **FREE** additional day to be held Friday, September 29 with the renowned African American Dance Ensemble. They will conduct lecture demonstration for students' 3rd-5th grade, an evening of full length family concert. The Ensemble will have master class activities, workshops, and outdoor dance performance on Saturday, September 30.

Since sponsorships pay for the cost of this *free* annual event, we encourage your participation as a sponsor and/or vendor for this special day. A variety of sponsorship levels are available and are detailed in the enclosed information sheet. Please contact Mari Lou Wong Chong at interculturalfestival@hotmail.com for additional details, or mail the enclosed application to **Brunswick Community College Foundation;**
